TR90 JS: Take 1 sachet mixed in a glass of water or favourite low-calorie beverage for the first 15 days of the programme

TR90 Complex C: Take 1 capsule 3 times per day during the 30 days of the programme. Preferably take 15-20 minutes before meals with a large amount of water.

TR90 Complex F: Take 1 capsule 4 times per day during the 30 days of the programme. Preferably take 15-20 minutes before meals with a large amount of water.

TR90 M-Bars: Take one bar as a meal replacement, once per day with a large glass of water during the 30 days of the programme.

WARNINGS

For TR90 JS, Complex C and Complex F:

Do not exceed the recommended daily dose. A food supplement should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Do not use if product integrity is affected. Keep out of reach of young children. Consult a doctor before using this product if you are pregnant, lactating or under medical treatment. Keep away from heat and humidity.

For TR90 M-Bars:

It is important to follow the instructions for use. Maintain an adequate daily fluid intake and a varied and balanced diet and a healthy lifestyle. Excessive consumption of the product could induce laxative effects. This product is useful for the intended use only as part of an energy-restricted diet: other foodstuffs should be a necessary part of such a diet. Do not use if the foil integrity is compromised. Consult a doctor before using this product if you are pregnant, lactating or under medical treatment. Store in a dry place between 16°C and 18°C.
