

Eye Formula

YOUR VISION SUPPORT

Pharmanex Eye Formula is a supplement that can help support your balanced diet with a unique formula containing zinc, which helps maintain normal vision, plus selenium, copper, and vitamins C and E to offer protection from oxidative stress.

How do I use it?

Take one (1) capsule once daily with food and drinks.

Warning

Do not exceed the recommended daily dose. A varied and balanced diet and a healthy lifestyle are important. A food supplement should not be used as a substitute for a varied and balanced diet and healthy lifestyle. Do not use if safety seal is broken, damaged or missing. Keep away from heat and humidity. Keep out of reach of young children. Consult a doctor before using this product if you are pregnant, lactating or under medical treatment.

Please note that some European Member States may have additional specificities that are linked to their national legislation. If applicable, you will find these in the country-specific version of this page, in the respective national language(s)
